VARIANCES TO STANDARDS APPLICATION

March 3, 2014

Purpose: ARM 10.55.604.1. A local board of trustees may apply to the Board of Public Education through the Superintendent of Public Instruction to implement a variance to a standard or a section of standards, excluding standards stating statutory criteria, standards pertaining to educator licensure or endorsement, and content standards as defined by the Board of Public Education and provided in guidance from the Superintendent of Public Instruction.

DUE DATES

- First semester implementation; March 3, 2014
- Second semester implementation; July 7, 2014

COUNTY: Lake

DISTRICT: #23

LIST THE SCHOOL OR MULTIPLE SCHOOLS THAT ARE REQUESTING THE VARIANCE(S):

Polson High School

-
1. **Is this an initial application (2 years) or a Renewal application (3 years)?**
Renewal application
 2. **Is this for first semester implementation or second semester implementation?**
First semester implementation
 3. **Standard(s) for which a variance is requested, i.e., 10.55.709. If there is a program delivery standard, be sure to list it as well. For example, 10.55.1801.**
10.55.709: Library Media Services - 1.5 FTE for schools with 501-1000 students
10.55.1801: Library Media Program Delivery Standards
 4. **Please attach evidence through official minutes of the board of trustees that local school community stakeholders were involved in the consideration and development of the proposed variance to standards. Stakeholder groups include trustees, administrators, teachers, classified school staff, parents, community members, and students as applicable.**
The sign-in sheet for the March 10, 2014 meeting of the Polson School District Board of Trustees will be submitted after the meeting.

5. Please provide evidence that the board of trustees adopted its application for variance at an official, properly noticed meeting of its board of trustees.

The agenda for the March 10, 2014 meeting of the Polson School District Board of Trustees will be submitted when it is posted. The draft minutes, including approval of this application, will be submitted immediately after the meeting and the official minutes will follow upon approval of the Board.

6. Describe the variance requested.

We request renewal of our 2012 application for an alternative standard regarding our library staffing. We would like to continue staffing the Polson High School Library with 1 FTE certified teacher librarian and 1 FTE para-professional library assistant. This staffing arrangement allows us to offer flexible scheduling, co-teaching, expanded hours and services to students and staff, and keep the library open during the lunch hour.

Polson High School has an enrollment ranging between 520 and 550 students through the school year. The current standard requires 1.5 FTE certified staff for a school with over 500 students. To follow this requirement the Polson High School Library would lose one highly qualified full-time para-professional staff member. This para-professional provides coverage and supervision of the library while the teacher librarian is administering the library, collaborating with staff, and teaching students in the library and classroom. The full-time para-professional is also able to complete many of the clerical and technical tasks needed during the workday. This position's replacement with a half-time certified staff position would limit the access to the library and the supervision of students during part of the school day. Services and support would be reduced.

7. Provide a brief statement of the mission and goals of this proposed variance.

Polson High School's mission is to empower students to succeed. Our vision is to partner with families and the community to prepare students academically and socially to succeed in the changing world.

The Polson High School Library is a curriculum-oriented facility which provides information and resources in a variety of formats and technologies, and is committed to supporting all members of the school community. The library environment encourages student and staff productivity and collaboration, as well as recreational reading and relaxation.

7. continued .

The library is staffed by the teacher librarian and para-professional from 7:45 am until 3:45 pm each school day. The role of the library para-professional is to support the teacher librarian, staff and students. Working together, the teacher librarian and para-professional provide a strong library program that includes consistent hours of operation and flexible scheduling. Staff are able to schedule classes for research in print and non-print resources, selection of books, computer-based testing, and group projects. Students and staff receive training in the use of technology, audiovisual and technical equipment. Students are able to use the library before school, after school and during their lunch period and other free time.

The presence of the full-time FTE para-professional provides skilled assistance to patrons and access to the library while the teacher librarian is collaborating with staff and teaching students. The teacher librarian is also supported in fulfilling the administrative duties of the library outlined in Standard 10.55.1801.

8. List at least one specific measurable objective(s) that demonstrates that the proposed variance will meet or exceed the results under the current standard(s).

Polson High School Library fulfills the Library/Media Program Delivery Standards which include the essential functions of a teacher-librarian; information technology instruction, reading advocacy, and information management. The teacher librarian also performs in a leadership role as a teacher, instructional partner and program administrator.

Montana Common Core Standards for Grades 9-10 in English Language Arts, Informational Reading Standards: RI. 9-10.1 through RI. 9-10.3 on Key Ideas and Details address the students' ability find and use text resources for key ideas and specific information to support their research needs. Standards RI. 9-10.7 through RI.9-10.9 on the Integration of Knowledge and Ideas, and Standard RI. 9-10.10 on Range of Reading and Level of Text Complexity address the students' ability to utilize information in different formats and levels of complexity and decide if the details and statements are relevant and credible.

These skills are taught during Freshmen Library Skills and reinforced in the upper grades through teacher collaboration and student work on assigned term paper research and classroom projects. The proposed Alternative Standard allows the teacher librarian to co-teach with the Freshmen English teachers in the classroom and library. The teacher librarian delivers content on the skills needed to access the library's print and electronic resources, Internet search skills and evaluating resources in the classroom through demonstrations, activities, on-line content and video content, while the para-professional staffs the library.

9. What data or evidence will be gathered to document progress toward meeting the measurable objectives?

- * The TRAILS Online Assessment of Information Literacy Skills will be used as a pre- and post- test in English 9 classes.
- * Library and information skills questions will be included in the 1st semester final for English 9. Questions and test results for January, 2014 are attached.
- * The number of hours of collaboration with each core department and the library/media staff will be recorded using Google Calendar. The Google Calendar link on the PHS webpage also serves to inform staff of availability of library space and computer workstation. (www.polson.k12.mt.us/phs) Current 2014 PHS Library calendars are attached.
- * The number of total patrons (students and staff) using the library either individually or with classes will be logged using a "people counter" that records the number of visits each day. Our goal is to realize an average of 300 patron visits per day.
- * Circulation statistics will be retrieved from Destiny Library Manager software. We would like to maintain a monthly circulation for print materials at or above 500 items. Circulation statistics and database usage statistics are included in the Principal's Report of Library Use and Activities which is attached.

10. In what way does this variance to standard meet the specific needs of the students in your school(s)?

The presence of the FTE library para-professional allows the teacher librarian to collaborate with staff and teach students throughout the day in the classroom or the library. The library's daily schedule is posted on Google Calendar through a link on the Polson High School webpage (www.polson.k12.mt.us/phs). Teachers can access the link to check availability of the library classroom areas and computer workstations.

Information skills, including the research process, ethical use of information, the use of school-wide resource databases and educational software subscriptions are taught in grades 9 - 12. A current schedule of Library Skills lessons taught in English 9 classes during the 2013-14 school year is attached. The standards addressed in each lesson are noted.

In grade 10 and 11, the teacher librarian works with English staff to deliver lessons on digital citizenship and online identity. In Grade 11-12, the students complete a term paper each semester in Social Studies classes. The library staff work with classes and individual students to assist with information seeking strategies, giving proper credit for information sources and the synthesis and presentation of the term paper product.

10. continued.

Through flexible scheduling, the library is used by all departments in the school including Math, Science, Physical Education/Health, Foreign Language, Business, Tech Education, Art and Music. We also work with the Special Services department and Study Support para-professionals.

The library para-professional ensures skilled assistance and access to the library when the teacher librarian is engaged in lesson planning and delivery. The Alternative Standard of 1 FTE teacher librarian and 1 FTE para-professional fulfills the needs of our school, library program and patrons.

11. Variance to Standard: Outline how and why the proposed variance would be:

a. Workable. (Sufficient district resources are available for the success of the variance.)

Polson High School has the financial resources to staff the library through the employment and retention of a highly qualified FTE library para-professional. The job description of the library para-professional is attached to this application. It is revised as needed to reflect changes in library services and the duties and skills required. This document provides a basis for job performance evaluation and serves as a model for recruitment, hiring and training.

b. Educationally sound. (Applicant has relied on sound research as a rationale for the variance.)

The library staffing arrangement of 1 FTE certified teacher librarian and 1 FTE para-professional has been in place at Polson High School for over ten years. The support of the para-professional has been very important to the development of many aspects of library services including the expansion of reader's advisory, book displays, and technology and equipment support for students and staff.

The American Association of School Librarians Position Statement on Appropriate Staffing for School Libraries states "the success of any school library program depends ultimately on the quality and number of the personnel responsible for the program. A well-educated and highly motivated professional staff, adequately supported by technical and clerical staff, is critical to the endeavor."

"Both professional personnel and support staff are necessary for all library programs at all grade levels. Each school must employ at least one full-time technical assistant or clerk for each school librarian." www.ala.org/aasl

c. Where applicable, aligned with program standards under ARM 10.55.1101 through 10.55.1901.

The teacher librarian is fulfilling the administrative duties of the library which are outlined in Standard 10.55.1801. Selection and management of the print collection and electronic resources, long range planning and program development, communication and cooperation with local and regional libraries and staffs, and participation in school-wide and district level committees are priorities, including the K-12 Technology Committee, the High School English Language Arts Professional Learning Community and the High School Indian Education for All Committee. Polson Schools K-12 teacher librarians meet regularly to develop and implement curriculum, plan for teacher training, cooperative purchases and professional development. The teacher librarian participates in the district's Professional Growth and Evaluation Process which includes a teacher librarian strand. Polson Schools Professional Growth and Evaluation Process is attached. The process guides continued growth and improvement. Polson High School is compliant with Administrative Rule 10.55.1801.

- 12. Designed to meet the content standards for this area of the curriculum (only applies to those standards which also have related curriculum content standards).**

RENEWAL APPLICATION ONLY: Please attach a summary of the data gathered to demonstrate that the variance cycle ending June 30, met or exceeded the standard. State the measurable objective for the initial or previous application.

REGULAR BOARD MEETING
MARCH 10, 2014
POLSON DISTRICT OFFICE

CALL TO ORDER

Vice Chairman Triolo called the Regular Board Meeting to order at 5:30 PM. In attendance were Vice Chairman Triolo, Trustee Laimbeer, Trustee, McDonald, Trustee McGinnis, Trustee Leadercharge, Trustee Lake, Trustee Lanier, Superintendent Reksten, Business Manager Pam Owen, Deb Sampson, Carl Elliott, Rex Weltz, Tamara Fisher, Elaine Meeks, Tim Finkbeiner, Tom DiGiallonardo, Jesse Yarbrough, Scott Wilson, Lynn Witts, Bill Appleton, Tim Berg, Becca Grant, Susan Erickson, Pat Danley, Bob DiGiallonardo, Katrina Venters, Berl Tiskus.

PLEDGE

WELCOME AND DIRECTIONS FOR PUBLIC PARTICIPATION:

COMMENT FROM HIGH SCHOOL STUDENT REPRESENTATIVE: Not present

PUBLIC COMMENTS:

Lynn Witts: As president of PCEA, Lynn Witts read a letter to the Board regarding the hiring of a negotiator and that they felt it did not send a good message to the group as they prepare the negotiating process.

Pat Danley: Pat Danley, a team member for the PEA negotiating team, agreed with Lynn's letter and felt it would have been more productive to start talking with the group about items of interest rather than hire an outside negotiator before this process has begun.

BOARD COMMENTS AND OBSERVATIONS: none

SUPERINTENDENT'S COMMENTS:

Superintendent Reksten congratulated the basketball teams for their accomplishments this season. She stated that she and John Laimbeer presented to the City Council last week on the High School Bond Project. With the challenging weather, this has given the District an opportunity to practice their release procedures; no school, late start and early out. The administrators, the bus supervisor, the maintenance director and Dr. Reksten try to make the best decision for the safety of students.

APPROVAL OF MINUTES

Item 1-February 10, 2014

Trustee Laimbeer made the motion to approve the Regular Board Meeting Minutes for February 10 2014, as presented. Trustee McDonald seconded the motion and the motion carried unanimously. Elaine Meeks wanted to be on the record that the IEFA Comprehensive Plan Board training was supposed to be done at this meeting, as reflected in the minutes. Due to a communication glitch, the

IEFA training was inadvertently left off this agenda. If Elaine and Molly are able to present the training on April 7, they will be on that agenda.

COMMUNICATIONS/DISCUSSION

Item 2- Trustee Suggestions for Additional Agenda Items

Trustee McDonald would like to have Tim Finkbeiner do a presentation on the Watchdog Program at Linderman.

Trustee Triolo would like to have OPI present rational for how accreditation standards are decided and how or if they are in correlation with student achievement.

Item 3-Quality Schools Planning Grant Update

Superintendent Reksten gave an update of the first Quality Schools Planning Grant meeting with Nick Salmon from CTA, staff and community members. There was a Power-Point presentation regarding future learning, groups were put together to look at what works in their schools, what could be improved and what would they want if they could have anything. This gave groups the chance to be innovative. An Assess Document was prepared with demographic information, the school self analysis, and an overview of what was accomplished in the individual groups. Caroline McDonald and John Laimbeer thought it was a thorough, enlightening experience. The next two sessions will be used to work on the facility master plan.

Item 4- Fiscal Year 2013 Audit Report

Pam Owen, Business Manager and Deb Sampson, Assistant Business Manager presented the FY13 final audit report that was completed by Galusha, Higgins & Galusha. There were three deviations: two for payroll time sheets that were not properly approved, and one for not properly calculating free and reduced status within the school food programs.

Item 5- 2014-15 Preliminary Budget/Mill Levy

Business Manager, Pam Owen, gave an overview of where the preliminary budget numbers are for the elementary and high school general funds. The final OPI budget numbers were presented as well. At this point in the budgeting process, the Elementary general fund has approximately \$32,000 left to budget and the High School general fund has approximately \$36,000 to absorb within the budget. These numbers are very preliminary at this point, as staffing has not been finalized and negotiations are not completed.

Item 6- Safety Plan Update

Tim Berg, Administrator, gave a School Safety Plan update. During the 2012-13 school year, a committee was created at the direction of the Superintendent to review various safety procedures in the district. In the Fall of 2013, recently enacted legislation (SB 348) required school districts to create and maintain an extensive school safety plan. The committee has started a process of creating a draft School Emergency and Crisis Response Procedures Manual. The committee will submit a draft proposal through the Superintendent to the Polson School Board for review and approval prior to the legislated deadline of July 1, 2014.

Item 7- April Board Meeting will be April 7, 2014 and the Board may receive IEFA training through the IEFA Comprehensive Plan.

Item 8- First Read on Policies:

3141, Discretionary Nonresident Student Attendance Policy (forms are being reviewed)

3141F, Ed. Authorization Affidavit

3312, Detention

3345, Gambling

3600F1, Student Records (with bolded changes)

3600P, Student Records Procedure (with bolded changes)

3611, Gangs and Gang Activity (new policy but recommended by MTSBA)

3612, Student Electronic Communication and Online Services Usage (Carl Elliott stated the Board will be asked to sign off on this policy, as well as all staff and students) Caroline McDonald asked about student training and awareness of using electronic devices. Dr. Reksten stated that E-Rate requires that training be provided. There is training within the District, for example, cyber bullying provided at the MS and the HS library provided training on digital footprint.

6110, Superintendent (added internship)

6140, Duties and qualifications of administrative staff other than superintendent (added internship)

6210, Principals (Chapter 55, within MCA 20-4-403 provides the description for this policy)

CONSENT AGENDA

Dr. Reksten asked to have Policy 4411, Investigations and Arrests by Police by pulled until they can get a legal reference for this policy.

Item 9-Approval of Payroll, Claims, Travel Requests, and Activity Fund Reports

Item 10- Second Read of Policies

2110, Objectives: Continuous Progress Education

2120, Standards, Assessment and Curriculum Development

2158, Family Engagement Policy

2166, Gifted Program

2500, Limited English Proficient Students

4340, Public Access to District Records

4410, Relations with Law Enforcement and Child Protective Agencies

Trustee Laimbeer made a motion to approve the Consent Agenda without Second Read of Policy 4411. Trustee Lanier seconded the motion and the motion passed unanimously.

NEW BUSINESS

Item 11-Recommendation for approval of PHS Library Alternative Standard

Principal Rex Weltz is asking the Board for an approval of a PHS Library Alternative Standard. We need a variance as the accreditation for districts with 500-1000 students are to have 1.5FTE in the library. We are requesting we be allowed to continue with 1 FTE librarian and 1 full time paraprofessional. The Board thanked Susan Erickson for all her help on preparing the Variances to Standards Application and submitting it to OPI in a timely manner.

Trustee McDonald made a motion to approve the PHS Library Alternative Standard request. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 12-Recommendation for Approval of Out of District Students

Trustee Leadercharge made the motion to approve the principal's recommendations to accept the out of district report as submitted. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 13- Recommendation for Out of District Travel

Trustee Lanier made a motion to approve the out of district travel for the Polson Middle School eighth grade class to go to Silverwood in Idaho on June 12, 2014. Students will be responsible for paying for their individual trips; either through private pay or fundraising. Trustee Lake seconded the motion and the motion passed unanimously.

Item 14-Recommendation of Personnel Report

Trustee McDonald made a motion to approve the High School Personnel Report as submitted. Trustee Laimbeer seconded the motion and the motion passed unanimously. Trustee Laimbeer made a motion to approve the Elementary Personnel Report as submitted. Trustee Leadercharge seconded the motion and the motion passed unanimously.

Item 15- Recommendation for Approval of 2014-2015 Calendar

Bill Appleton said the committee received input from employee groups and tried to align the calendar with other local districts. The Early Dismissal Days will release students one hour earlier for PLC work. Scott Wilson said the start date in August helps with the activities schedule and how the semester end falls. Snow days are not figured into the calendar but January 19th could be a makeup day if a snow day falls before that date. Trustee McGinnis made a motion to approve the 2014-15 School Calendar. Trustee Lanier seconded the motion and the motion carried unanimously.

Item 16-Call for Trustee Election: (3) Elementary, (1) High School, May 6, 2014

Trustee McGinnis made a resolution to call for an Elementary and High School Trustee Election to be held on May 6, 2014. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 17-Call for Mill Levy Election

Upon the recommendation of Pam Owen, Business Manager, the Board did not make a motion to hold a mill levy election.

There being no further business to discuss, the meeting was adjourned at 6:50 PM.

POLSON PUBLIC SCHOOLS

PROFESSIONAL GROWTH AND ASSESSMENT A FRAMEWORK FOR ENHANCING PROFESSIONAL PRACTICE

Having a framework of professional standards is not unique to the profession of teaching. Many other professions have well developed performance standards and established procedures for guiding those involved in that profession. These standards and procedures are the public's guarantee that members of a profession are competent and highly qualified. By creating a professional framework of high standards and well planned methods of professional growth, educators convey to the public, and to themselves, that they are committed to high levels of professional competency and conduct. In developing a framework for professional growth and assessment, the Polson School District reaffirms the commitment to excellence that has existed in District #23 for many years. This process also confirms the strong belief that excellent schools are a direct result of the professionals that work daily with the children of the community. It is the belief that the development of a framework for professional practice will serve the needs of all educators. In the case of a novice teacher, it will promote growth and provide needed guidance for day to day improvement. For the veteran educator, the framework will provide the collegiality and support needed to constantly improve and refine one's practice. In all cases the framework provides a common set of core teaching standards that give focus to the process of professional growth and assessment.

This program is unique in that:

- ☐ it supports the belief that professional growth leads to an outstanding staff, and that the staff is essential for effective schools and excellence in education,
- ☐ it is based on the strong correlation between professional development and student achievement.
- ☐ it provides opportunities for staff members to work together and to support one another,
- ☐ it is driven by teacher goals which are developed collaboratively,
- ☐ standards for professional practice are clearly established,
- ☐ the process sets clear standards teachers need to demonstrate as part of their continued professional growth.

The professional growth and assessment program for Polson schools is designed on a three year cycle. Each cycle is to cover a full year and is intended to provide opportunities for sustained growth and improvement in professional practice. All non-tenured teachers are on the assessment strand. Tenured teachers are on the assessment strand every third year; when not on the assessment strand, teachers are on the cohort or individual strand.

Assessment	Cohort	Individual
<p>During this cycle teachers, in conjunction with the building principal, will use professional standards to evaluate performance and set appropriate growth goals.</p> <p>Each standard has been developed with the realization that continued improvement is an essential part of teaching. The framework allows for recognition of excellence and identification of areas for growth. The essence of the framework is to encourage professional growth and best practice.</p>	<p>This cycle is designed to take teachers through a year of professional growth. Along with district and building in-service, teachers in this cycle will be teamed with other professionals to explore, investigate, implement and grow professionally.</p> <p>Collegiality and dialogue will be the foundation...</p> <p>Improvement of instruction the focus...</p> <p>The principal will be an advocate and supplier of resources and time. The principal will also assist the team in setting norms and expectations for monthly meetings.</p>	<p>Each teacher in this cycle will spend the year working independently on projects of special interest that are related to improving instruction.</p> <p>Individual staff members and the principal will work cooperatively to ensure the cycle is completed.</p>

Variance to Standards Application RENEWAL APPLICATION attachments:

Measurable objective for the previous application: February, 2012:

Polson High School Library fulfills the Library/Media Program Delivery Standards which include the essential functions of a teacher librarian; Information Technology Instruction, Reading Advocacy, and Information Management. Standard 2 of the Montana Standards for Information Literacy/Library Media addresses the students' ability to select, evaluate and use information appropriately and effectively. Benchmarks upon graduation for Standard 2 include the ability to locate multiple resources using a variety of search tools and the ability to evaluate resources. These skills are taught during Freshmen Library Skills and reinforced in the upper grades through teacher collaboration and student work on assigned term paper research and classroom projects. The proposed Alternative Standard allows the teacher library to co-teach with the Freshmen English teachers on a flexible schedule as needed throughout the school day. The teacher librarian delivers content on the library's print and electronic resources, searching the Internet and evaluating resources in the classroom through demonstrations, Power Point presentations, on-line and video content, while the para-professional staffs the library.

Summary of data gathered to demonstrate that the variance cycle ending June 30, met or exceeded the standard.

The following summative assessments are attached.

- Chart usage by department for the school year.
- Chart library use by number of patrons per day for the school year.
(Google Calendars with People Counter data.)
- Record circulation statistics so that collection usage comparisons can be made.
- The TRAILS Online assessment pre- and post-test results will be recorded.
(Class Report for Ninth Grade General Assessment 1)

The following summative assessment was completed through classroom teacher and librarian lesson planning and follow up. Before, during and after instruction the classroom teacher and librarian discussed the level of understanding, teaching strategies, and appropriateness of the library's information resources.

- Teacher questionnaire responses will be used to determine lesson effectiveness and areas that need improvement.

The MUS Writing summative assessment results are not accessible due to the discontinuation of the MUS testing program. The ACT Plus Writing assessment will be the replacement.

- The MUS Writing Assessment results will be recorded to detect current trends. Taken by all juniors, the MUS assessment will be used to determine the effectiveness of Information Literacy and Library Media instruction in combination with English Language Arts instruction in building research skills, preparation and support for persuasive essay writing.

COMMENT FROM HIGH SCHOOL STUDENT REPRESENTATIVE: Not present

PUBLIC COMMENTS:

Lynn Witts: As president of PCEA, Lynn Witts read a letter to the Board regarding the hiring of a negotiator and that they felt it did not send a good message to the group as they prepare the negotiating process.

Pat Danley: Pat Danley, a team member for the PEA negotiating team, agreed with Lynn's letter and felt it would have been more productive to start talking with the group about items of interest rather than hire an outside negotiator before this process has begun.

BOARD COMMENTS AND OBSERVATIONS: none

SUPERINTENDENT'S COMMENTS:

Superintendent Reksten congratulated the basketball teams for their accomplishments this season. She stated that she and John Laimbeer presented to the City Council last week on the High School Bond Project. With the challenging weather, this has given the District an opportunity to practice their release procedures; no school, late start and early out. The administrators, the bus supervisor, the maintenance director and Dr. Reksten try to make the best decision for the safety of students.

APPROVAL OF MINUTES

Item 1-February 10, 2014

Trustee Laimbeer made the motion to approve the Regular Board Meeting Minutes for February 10 2014, as presented. Trustee McDonald seconded the motion and the motion carried unanimously. Elaine Meeks wanted to be on the record that the IEFA Comprehensive Plan Board training was supposed to be done at this meeting, as reflected in the minutes. Due to a communication glitch, the

IEFA training was inadvertently left off this agenda. If Elaine and Molly Billedeaux are able to present the training on April 7, they will be on that agenda.

COMMUNICATIONS/DISCUSSION

Item 2- Trustee Suggestions for Additional Agenda Items

Trustee McDonald would like to have Tim Finkbeiner do a presentation on the Watchdog Program at Linderman.

Trustee Triolo would like to have OPI present rational for how accreditation standards are decided and how or if they are in correlation with student achievement.

Item 3-Quality Schools Planning Grant Update

Superintendent Reksten gave an update of the first Quality Schools Planning Grant meeting with Nick Salmon from CTA, staff and community members. There was a Power-Point presentation regarding future learning, groups were put together to look at what works in their schools, what could be improved and what would they want if they could have anything. This gave groups the chance to be innovative. An Assess Document was prepared with demographic information, the school self analysis, and an overview of what was accomplished in the individual groups. Caroline McDonald and John Laimbeer thought it was a thorough, enlightening experience. The next two sessions will be used to work on the facility master plan.

Item 4- Fiscal Year 2013 Audit Report

Pam Owen, Business Manager and Deb Sampson, Assistant Business Manager presented the FY13 final audit report that was completed by Galusha, Higgins & Galusha. There were three deviations: two for payroll time sheets that were not properly approved, and one for not properly calculating free and reduced status within the school food programs.

Item 5- 2014-15 Preliminary Budget/Mill Levy

Business Manager, Pam Owen, gave an overview of where the preliminary budget numbers are for the elementary and high school general funds. The final OPI budget numbers were presented as well. At this point in the budgeting process, the Elementary general fund has approximately \$32,000 left to budget and the High School general fund has approximately \$36,000 to absorb within the budget. These numbers are very preliminary at this point, as staffing has not been finalized and negotiations are not completed.

Item 6- Safety Plan Update

Tim Berg, Administrator, gave a School Safety Plan update. During the 2012-13 school year, a committee was created at the direction of the Superintendent to review various safety procedures in the district. In the Fall of 2013, recently enacted legislation (SB 348) required school districts to create and maintain an extensive school safety plan. The committee has started a process of creating a draft School Emergency and Crisis Response Procedures Manual. The committee will submit a draft proposal through the Superintendent to the Polson School Board for review and approval prior to the legislated deadline of July 1, 2014.

Item 7- April Board Meeting will be April 7, 2014 and the Board may receive IEFA training through the IEFA Comprehensive Plan.

Item 8- First Read on Policies:

3141, Discretionary Nonresident Student Attendance Policy (forms are being reviewed)

3141F, Ed. Authorization Affidavit

3312, Detention

3345, Gambling

3600F1, Student Records (with bolded changes)

3600P, Student Records Procedure (with bolded changes)

3611, Gangs and Gang Activity (new policy but recommended by MTSBA)

3612, Student Electronic Communication and Online Services Usage (Carl Elliott stated the Board will be asked to sign off on this policy, as well as all staff and students) Caroline McDonald asked about student training and awareness of using electronic devices. Dr. Reksten stated that E-Rate requires that training be provided. There is training within the District, for example, cyber bullying provided at the MS and the HS library provided training on digital footprint.

6110, Superintendent (added internship)

6140, Duties and qualifications of administrative staff other than superintendent (added internship)

6210, Principals (Chapter 55, within MCA 20-4-403 provides the description for this policy)

CONSENT AGENDA

Dr. Reksten asked to have Policy 4411, Investigations and Arrests by Police by pulled until they can get a legal reference for this policy.

Item 9-Approval of Payroll, Claims, Travel Requests, and Activity Fund Reports

Item 10- Second Read of Policies

2110, Objectives: Continuous Progress Education

2120, Standards, Assessment and Curriculum Development

2158, Family Engagement Policy

2166, Gifted Program

2500, Limited English Proficient Students

4340, Public Access to District Records

4410, Relations with Law Enforcement and Child Protective Agencies

Trustee Laimbeer made a motion to approve the Consent Agenda without Second Read of Policy 4411.

Trustee Lanier seconded the motion and the motion passed unanimously.

NEW BUSINESS

Item 11-Recommendation for approval of PHS Library Alternative Standard

Principal Rex Weltz is asking the Board for an approval of a PHS Library Alternative Standard. We need a variance as the accreditation for districts with 500-1000 students are to have 1.5FTE in the library. We are requesting we be allowed to continue with 1 FTE librarian and 1 full time paraprofessional. The Board thanked Susan Erickson for all her help on preparing the Variances to Standards Application and submitting it to OPI in a timely manner.

Trustee McDonald made a motion to approve the PHS Library Alternative Standard request. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 12-Recommendation for Approval of Out of District Students

Trustee Leadercharge made the motion to approve the principal's recommendations to accept the out of district report as submitted. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 13- Recommendation for Out of District Travel

Trustee Lanier made a motion to approve the out of district travel for the Polson Middle School eighth grade class to go to Silverwood in Idaho on June 12, 2014. Students will be responsible for paying for their individual trips; either through private pay or fundraising. Trustee Lake seconded the motion and the motion passed unanimously.

Item 14-Recommendation of Personnel Report

Trustee McDonald made a motion to approve the High School Personnel Report as submitted. Trustee Laimbeer seconded the motion and the motion passed unanimously. Trustee Laimbeer made a motion to approve the Elementary Personnel Report as submitted. Trustee Leadercharge seconded the motion and the motion passed unanimously.

Item 15- Recommendation for Approval of 2014-2015 Calendar

Bill Appleton said the committee received input from employee groups and tried to align the calendar with other local districts. The Early Dismissal Days will release students one hour earlier for PLC work. Scott Wilson said the start date in August helps with the activities schedule and how the semester end falls. Snow days are not figured into the calendar but January 19th could be a makeup day if a snow day falls before that date. Trustee McGinnis made a motion to approve the 2014-15 School Calendar. Trustee Lanier seconded the motion and the motion carried unanimously.

Item 16-Call for Trustee Election: (3) Elementary, (1) High School, May 6, 2014

Trustee McGinnis made a resolution to call for an Elementary and High School Trustee Election to be held on May 6, 2014. Trustee Laimbeer seconded the motion and the motion carried unanimously.

Item 17-Call for Mill Levy Election

Upon the recommendation of Pam Owen, Business Manager, the Board did not make a motion to hold a mill levy election.

There being no further business to discuss, the meeting was adjourned at 6:50 PM.

Author #1

Worldwide every day 14,000 people become infected with HIV. Of these 14,000 people, approximately 1,700 are children. In fact, more than half of the global HIV infections occur in young people ages 15-24. This high rate is partly due to young people not knowing how to protect themselves from HIV transmission. Globally, youth also feel the burden of HIV in another way. AIDS has orphaned approximately 15 million children.

Author #2

The Centers for Disease Control and Prevention estimates that 40,000 people in the United States become infected with HIV every year. HIV can be transmitted through bodily fluids such as blood and breast milk. Therefore, babies born to mothers with HIV can also become infected. Pregnant women can be tested for HIV and receive drug treatment to prevent their babies from contracting HIV. [CHOOSE ONE ANSWER]
